

Register today for Summer Programs at the Museum of Aviation  
 For Scheduling Information: Jennifer Gombos [jgombos@museumofaviation.org](mailto:jgombos@museumofaviation.org)

Name of Program	Date(s) of Program Cost	Times of Program	Grade Levels	Description of Program
<b>Princess Camp</b>	June 8 <sup>th</sup> - 12 <sup>th</sup> \$75	9:00 am until 12 noon	Pre-K -K	All princesses are hereby invited to the Museum of Aviation for fun with math and science. Sort and graph your favorite jewels, and be a princess at a tea party!
<b>Girls of America Mysteries</b>	June 8 <sup>th</sup> - 12 <sup>th</sup> \$75	9:00 am until 12 noon	3 <sup>rd</sup> -5 <sup>th</sup> Grades	Each day learn a new technique like fingerprinting, used in solving crimes. Be a crime fighting girl like Nancy Drew and Kit Kittredge!
<b>Air Traffic Control Camp</b>	June 8 <sup>th</sup> - 12 <sup>th</sup> \$75	9:00 am until 12 noon	6 <sup>th</sup> -12 <sup>th</sup> Grades	Explore the exciting world of Air Traffic Control, using the most sophisticated technology available to the public. Our new state-of-the-art ATC Center is a challenging and memorable experience.
<b>WWII Living History</b>	June 8 <sup>th</sup> - 12 <sup>th</sup> \$75	9:00 am until 12 noon	6 <sup>th</sup> -12 <sup>th</sup> Grade	WWII Aviators and their planes come to life as students explore our Nation's Greatest Generation.

Now Available to Registered Campers:

**Aviation Clubhouse**

**An "Edu-taining" after-program camp**

**12:00 noon-4:45pm**

*The Museum of Aviation closes at 5:00pm*

\$60 per week

Space is limited to 30 students per week

Please call the office at 478-926-5558 for more details and registration information

# Summer Programs 2009

Name of Program	Date(s) of Program Cost	Times of Program	Grade Levels	Description of Program
<b>Don't Bug Me!</b>	June 15 <sup>th</sup> -19th \$75	9:00 am until 12 noon	Pre-K -K	Have fun with bugs this week! Get up close and personal with ants, grasshoppers, and butterflies. We'll learn the life cycle of a butterfly and build a bug box for our creepy crawly friends!
<b>Chem Prep Academy</b> Middle Georgia Youth Science and Technology Center	June 15 <sup>th</sup> -19th \$75	9:00 am until 12 noon	8th-11 <sup>th</sup> Grades	Students will learn basic physical science facts and do experiments. Labs are designed to enhance chemistry and physical science skills. Science is interesting and entertaining!
<b>Astronaut Camp</b>	June 15 <sup>th</sup> -19th \$75	9:00 am until 12 noon	3rd-5th Grades	NASA's hands-on activities and programs allow you to imagine, explore, and discover the many wonders in our world and <i>out</i> of this world!
<b>Now You See It Now You Don't!</b>	June 22 <sup>nd</sup> -26th \$75	9:00 am until 12 noon	Pre-K -K	Learn the tricks of the trade: Magic will be explained through science using magnets, polymers and light.
<b>Altitude Summer Institute</b>	June 22nd-26th \$125	9:00 am until 3 pm	K-5 <sup>th</sup> Grades	Back for its 5 <sup>th</sup> Summer! Find out who invented the compass! Explore ancient China through Art, Science and Music.
<b>Mission Quest</b>	June 22nd-26th \$75	9:00 am until 12 noon	7th-12th Grades	Mission Quest Flight Camp will thrust you skyward at Mach 2 for a heart pounding simulation experience in the F-12e, C17 and B-2 Bomber. Learn and use actual flight navigation and communications equipment while maneuvering your jet through mountains, thunderstorms, and aerial refueling challenges.

# Summer Programs 2009

Name of Program	Date(s) of Program Cost	Times of Program	Grade Levels	Description of Program
<b>Fairy Tale Science</b>	July 6 <sup>th</sup> -10 <sup>th</sup> \$75	9:00 am until 12 noon	Pre-K -K	Explore Science and math through Fairy Tale Fantasy and literature. Students will play and learn through fun stories of well known fairy tales. Fun for boys and girls.
<b>Fizz,Foam,Splatter</b> Middle Georgia Youth Science and Technology Center	July 6 <sup>th</sup> -10 <sup>th</sup> \$75	9:00 am until 12 noon	4th-7 <sup>th</sup> Grades	What's a little fizzing, foaming and splattering among friends? Participants will make slime, bouncing bob, observe chemical changes, explode a diet soda with mints, and other fun activities.
<b>L.A.S.T.</b> Language, Art, Science and Technology	July 6 <sup>th</sup> -10 <sup>th</sup> \$75	9:00 am until 12 noon	1st-3rd Grades	Discover the fun of art, science and technology through modern children's literature. A journey of activities spring from fun books and poetry.
<b>Pirate Camp</b>	July 13 <sup>th</sup> -17 <sup>th</sup> \$75	9:00 am until 12 noon	Pre-K-K	Ahoy Mates! Make an ocean in a bottle, study maps and navigate your way through the museum to find a buried treasure!
